### Product Details

Furnish collaborative office spaces with the Via Adjustable-Height Desk to promote productivity. This desk's simplistic design and mobility allows you to sit or stand, providing a more comfortable work experience. The surface adjusts in height from 30" up to 43"H with a single release mechanism that engages the gas shock assisted operating system. Adjustable leveling glides provide stability, allowing you to move or balance the desk on floor surfaces. This height-adjustable desk features 1 grommet hole that allows you to keep wires, cords, and cables organized and out of sight and can accommodate a circular power port or charging station if you decide to retrofit the desk with built-in power. A durable laminate finish provides scratch- and stain-resistant surfaces. The back is fully finished, making it an ideal choice for any computer setup in your office.

The Via collection brings contemporary sophistication into professional style to elevate your workspace. Polished, spacious surfaces, deep colors, and clean lines inspire productivity and organization. Via delivers an unmatched ability to thrive in the modern workplace.

Assembly required.
