Product Details

Promote an active learning environment with this modular desk. Perfect for university classrooms or training rooms, this uniquely shaped desk can be configured into rows, curves or pods to accommodate various curriculum styles. This desk is also a comfortable choice for users with special needs, including left-handed users and those in wheelchairs. Brighten up your classroom with this desk that features a variety of colored edge options.

This desk (29.9"W x 28.4"D x 22-32"H) is constructed of high-pressure laminate surfaces, vinyl edge banding and steel legs. The sleek laminate work surface resists scratches and stains for long-lasting use, and sturdy steel legs provide outstanding support. The legs can be adjusted from 22" to 32"H. Multiple desks can easily be pushed together to create different pod and group layouts. This desk has been certified to support better indoor air quality for schools. Products that are certified are regularly tested to ensure that their chemical and particle emissions meet acceptable pollutant standards.

Assembly required-Snap leg design.
