Product Details

The Allure 10' Conference Table is designed with flexibility in mind. Its tabletop and center supports are split into two sections, making it easy to adapt the table to your conference room layout. Each section features two rectangular grommets at the center, providing convenient cable access. Built-in wire management channels concealed within the legs keep cords organized and out of sight, maintaining a clean, professional workspace.

Outfit an entire office with office, conference, and reception pieces from the versatile and modern Allure collection. A combination of unexpected and inventive details gives the Allure hutch a stately-yet-modern appeal that can stand out in a variety of office environments.
