Product Details

Improve workspace functionality and create more private space within a large room, using this 52"W high panel wall partition. Modular, Interlocking frames are easy to set up. And the solid and translucent panels mix and match to fit perfectly into your décor.

One large translucent polycarbonate panel and two large solid laminate panels are interchangeable for a variety of patterns. The framing is powder-coated aluminum that is 75% recycled material. And the 52"W high panel wall partition is freestanding and movable, too, for fast setups and reconfigurations.

Assembly required.
