Product Details

Free-standing partitions are fully portable! You control your space! When you need an extra room or private space - just roll out a partition and pull out the panels! Steel frames have scratch-resistant black finish.

Sound-absorbing 22"W panels have fiberglass-wrapped cores with tackable, cleanable polyester fabric surfaces for display. 6'H partitions fit through 26"W doorways, won't interfere with heat of light systems.

Ball-bearing casters swivel so panels can be set up in a variety of configurations; lock for stability. No need for external support! Units ship fully assembled.
