Product Details

Let there be light in your office or cubicle! This under cabinet LED light is ideal for mounting on hutches or floating cabinets in offices, cubicles, and more. Measuring 24" in length, the angular, slim profile design is a versatile fit that's easy to mount with the included hardware (both magnets and screws are included).

Connect units together with the included jumper cords, measuring 24" in length, to suit your space as needed and plug into the wall with the 9' long power, UL listed power cord. The LEDs used in each unit have been rated for 50,000 hours of lamp light with a 250 lumen, 6W output. Each light measures 85 on the Color Rendering Index (CRI) and has a 3500K color temperature. Adjust the brightness as necessary with the continuous dimmer.

Partial assembly required
