Product Details

Elevate indoor, outdoor, or transitional spaces with the Eveleen collection. Perfect for patios, pavilions, or any outdoor gathering space, the Eveleen collection offers a refreshing and modern take on classic patio furniture. Place these benches around a patio table, around a fire pit, or along the side of a building to give guests a space to sit down and relax.

The bench's slats are constructed from a durable synthetic polymer and offer just enough space for moisture and debris to wash through with ease. The trim and legs are comprised from a 2" aluminum frame, providing natural corrosion and rust resistance. Overall, these benches are non-toxic, environmentally-friendly, and durable enough to stand up to high-traffic outdoor environments.

Fully Assembled
