### Product Details

Pair this with other tabletop heights to accommodate students of all ages and statures. Outfitted with a laminate whiteboard top, students can conveniently solve problems and express themselves using most dry erase markers. Meanwhile, casters at the base make it easy to arrange and rearrange tables as needed, allowing for a variety of flexible environments to fit any grade or subject. Customize your Compass tables with additional accessories to give students even more opportunities to innovate and explore.

Create an empowering environment for students to think, create, and do! The innovative Compass collection of makerspace tables has been designed to foster active thinking, creating, and learning.
