### Product Details

Experience classic industrial style with modern edge in the Rivet Pull-Up Table. A heavy-duty steel base provides strength and durability, while the weathered-look laminate top adds warmth and character to any space. Exposed rivet details bring a salvaged, industrial touch that complements a wide range of contemporary interiors. Pair it with other Rivet tables or lounge seating to create a cohesive, industrial-chic setting.

Experience classic industrial design with modern details with the Rivet collection. Crafted with durable materials you can trust; this collection captures the essence of industrial charm while boasting modern resilience. Elevate your space with the Rivet collection's unique blend of rugged elegance and enduring style.

Assembly required.
