Product Details

Durability meets versatility with the Imme Polypropylene Armless Chair with Casters. Casters at the chair's four-leg base make it easy to move these chairs about your space as necessary. The one-piece shell design is meticulously crafted to alleviate pressure points, ensuring comfort during extended periods of sitting. Crafted from high-impact polypropylene, the wide seat and ergonomic construction provide optimal support, while the 18-gauge round steel frame guarantees sturdiness and resilience.

The Imme collection showcases a modern, minimalist aesthetics. Built to withstand rigorous use, these chairs exhibit exceptional durability, ensuring a long-lasting investment. Prioritizing ergonomic design, the collection offers optimal support and comfort for extended periods.

This product has been Greenguard certified to support better indoor air quality for offices, homes, schools and healthcare facilities. Products that are Greenguard certified are regularly tested to ensure that their chemical and particle emissions meet acceptable pollutant standards. Fully Assembled.
