### Product Details

The MBS Pneumatic Standing Classroom Desk is designed to meet the needs of students in flexible, changing classroom environments. This standing desk offers height adjustability to accommodate multiple grade levels. Students can quickly transition between sitting and standing to promote healthy movement while learning, and casters make it easy to rearrange desks while in the classroom. When it's not in use, the desks nest together for easy storage thanks to the tilt top.

The MBS collection provides durable, flexible furnishing solutions for the modern classroom. All MBS products are designed to meet the changing needs of educators and students, and the products are built to stand up to the wear and tear of classroom use for years to come.
