This executive desk features 2 pedestals with several storage options to help eliminate clutter from your desktop. Store everything from files to supplies in the desk's 7 drawers, with 3 drawers on each side. The top left and right drawers have removable divider inserts, 1 removable writing slide, and 1 removable pencil drop-in that can be used on either side. The bottom drawers are locking file drawers with a Pendaflex filing system, giving you space to secure important documents. The center drawer has a drop-front for easy and quick keyboard use. Both the top left and right drawers are on 100-pound full-extension metal ball-bearing slides, and the bottom drawers are on 150-pound full-extension metal ball-bearing slides for smooth operation. This desk is made of alder veneers for a warm, durable construction and is finished on all sides. This executive desk is perfect for your computer setup in the office.

The Burnham collection introduces French country design with traditional notes to your workspace. Alder veneers with knots in a grey mink finish accented by dark bronze knob hardware and bamboo-like edging create a soft, modern appeal. Burnham brings a casual feel to contemporary office furniture.
