### **Product Details**

Figo Peninsula tables are designed for meeting/conference rooms or collaborative spaces, and a variety of other applications. It has a 1.25" thick high pressure laminate top that's durable and easy to clean. The top has an durable edge that won't crack. The solid cast iron legs have levelling glides to prevent the table from wobbling on uneven floors. The center column base is 3" diameter and is made of 16 gauge steel. Easy to assemble. Tops made in the USA. Heavy duty, high quality table. Designed for café, break rooms, meeting/conference, collaborative areas and a variety of applications. 1.25" thick high pressure laminate top. Durable and easy to clean surface. Top has an attractive edge that won't crack.

Create an inviting area for guests, clients, or employees to gather with the Figo collection. Modern and practical, these items work well in collaborative spaces, with seating options and tables that can accommodate a range of guest needs.
