Product Details

Furnish small work areas with the Urban White Table Desk to create a functional workstation. With scratch- and stain-resistant laminate, this desktop provides a durable worksurface. The frame is made of solid wood with metal X crossbars and features a metal mesh modesty panel that provides additional privacy. This writing desk features 2 grommet holes, allowing you to keep wires, cords, and cables organized and out of sight and can accommodate a circular power port or charging station if you decide to retrofit the desk with built-in power.

The Urban White collection brings industrial influence and functionality to your workspace. White mesh and metal accents complement rustic white wood bases, creating strong, comfortable spaces that support any endeavor. Urban brings enlightened durability to contemporary office furniture solutions.

Finished on all sides. Assembly required. Clearance item. Final sale, item is non-returnable and is not subject to the lifetime guarantee.
