Product Details

Nook Shelter is a multi-purpose open alcove mobile pod, that enhances whatever you're doing – from working to dreaming and everything in between. Their innovative design helps improve focus and wellbeing while maximizing your space. The Nook Shelter offers users a personal or shareable retreat specifically designed so they can be out of the spotlight without isolation.

Shelter comes equipped with a whiteboard back panel, great for planning, brainstorming and doodling. Featuring a pitched roof and 2.5" recycled PET acoustic panels to significantly reduce ambient noise, a whiteboard back panel that is writable on both sides, casters for secure placement and transporting of the Nook. Built to last, the Nook Shelter can be easily upgraded, repaired, and recycled. Upholstery is made of 55% post-consumer recycled materials and has a soil and stain repellent finish. The Nook Shelter can seat up to four people and is ideal for working and healthcare environments, schools, event venues, and more. The heavy-duty locking casters ensure Nook stays securely in place and is easy to transport.

Assembly Required.
