Product Details

This set of Mobile Lab Carts is an ideal solution for any science classroom or lab. One cart has internal drawers and one shelf while the other has external drawers and a pegboard. These sturdy carts are perfect for everything, from storing beakers and test tubes to transporting lab instruments and supplies. The first cart contains an adjustable-height shelf and four concealed drawers make it easy to organize your materials, while the two lockable doors with 270-degree wrap-around hinges provide security and convenience. The second cart has three external drawers provide plenty of storage space, while the pullout shelf is great for holding everything from beakers to Bunsen burners. The wrap-around hinges keep the doors open for easy access, while the pullout pegboard offers 50 assorted pegs to hang everything from test tubes to tongs. The doors on this cart also lock.

Add a Science Cabinets Mobile Lab Cart to complete your classroom or lab. The oak veneer and chem-res tabletop give these carts a stylish look that will complement any décor.

Partial assembly required.
