Product Details

With sleek design and practical functionality, the Plateaux Rectangular Conference Table with 3mm Edge makes the perfect addition to any modern office, boardroom or meeting space. The conference table features a laminate wood grain top with matching 3mm edge banding, providing you with a resilient and attractive workspace. The 1-piece top allows for straightforward installation and features an integrated power module for AC, USB-A and USB-C charging. Furthermore, 4 legs with integrated wire management ensures your space remains organized and clutter-free, enhancing the table's utility and aesthetic appeal.

Discover the Plateaux collection, where contemporary design meets versatile functionality for modern workspaces. Each piece harmonizes classic elements with the needs of today's workforce, offering stylish solutions that adapt from focused work to collaborative meetings with ease. This collection adds sophistication to any setting, making every transition seamless and stylish.
