Product Details

The ultimate teacher's assistant is a mobile teacher station that accommodates technology and includes storage to keep school supplies well-organized and lessons visual and dynamic. This value teacher's station pedestal desk can be effortlessly wheeled anywhere in the learning environment, while offering the workspace and storage teachers need to stay on top of their lesson plans. The two box drawers provide tons of space for classroom supplies, while the file drawer accepts hanging files in either letter or legal format.

SmartLink is designed to be lightweight and mobile. This helps teachers respond to the ways students learn today, and adapt to new ways of learning tomorrow.

Assembly required.
