Product Details

The compact size of these Barska safes allow them to be placed in discreet, out-of-the-way locations while retaining enough interior space to store multiple small items. Barska Compact Safes are ideal for storing jewelry, money, passports, compact electronics, wallets, and much more.

The user-friendly digital keypad retains 1 PIN Code for accessing the safe. Two solid steel locking bolts provide extra security against tampering, and 4 mounting holes allow the safe to be secured to a flat surface. The silent access mode guarantees discreet use, while a protective floor mat ensures your valuables are shielded from scratches. Installation is effortless with four mounting points and included hardware, securing your safe firmly in place. For added contingency, two back-up keys are included, while the low battery alert ensures continuous operation. These safes combine security and functionality for your peace of mind
