Product Details

Turn any table into a folding table with Merit Folding Post Legs! Merit Folding post legs come four to a set and can collapse while attached to a tabletop. Simply twist the leg to unlock, fold down and twist in the opposite direction to lock back into place. This 60 x 24-inch table assembles in a snap with just a few screws. The table is constructed of a thermal fused melamine laminate tabletop that is 1-inch thick and finished with a black T-Mold edge band. This tabletop is double-sided. Simply pick the side you like and install the base on the other. Self tapping wood screws and a placement template are included. Laminates are scratch, stain and scald resistant and wipe clean easily. Rounded corners make the table safer for everyone. A sleek alternative to pedestal style bases, this set of post legs comes in a classic black to match any décor. The legs are constructed of tubular steel with leveling glides on the bottom of each leg.

Versatile by nature and contemporary in style, the Merit Collection brings together thoughtful design and everyday function. Its clean, neutral aesthetic and wide-ranging assortment make it effortlessly adaptable—offering endless possibilities to curate cohesive, well-designed spaces in any setting.

Assembly required

Features & Materials	
Product Features	
<ul style="list-style-type: none"> • DURABLE WORK SURFACE- Tabletop is constructed of a 1-inch thick thermal fused melamine laminate finished with a black T-Mold edge banding • Lock into place with another twist in the opposite direction • ONE-HAND ADJUSTMENT- A simple twist of each leg unlocks it and allows it to fully collapse with one hand • SPACE SAVING- All four legs fully collapse and the table can store away flat when not in use, saving storage space • STURDY- Legs are constructed of durable tubular steel with leveling glides on the bottom of each leg • Ready to assemble.
