Product Details

With a steel base and riveted metal details, the Rivet 71" Writing Desk makes the perfect addition to workstations and private offices. This writing desk features a laminate top, making it easy to clean and maintain. 2 wire management grommets provide a convenient solution for keeping cables organized. A metal mesh modesty panel adds privacy, while adjustable leveling floor glides ensure stability on uneven surfaces.

Experience classic industrial design with modern details with the Rivet collection. Crafted with durable materials you can trust, this collection captures the essence of industrial charm while boasting modern resilience. Elevate your space with the Rivet collection's unique blend of rugged elegance and enduring style.

Assembly required.
