Product Details

Create a complete workstation by adding the Series C 72"W 4 Door Hutch for classic styling with clean lines and extended modesty panels. Create the perfect combination of form and function by mounting the Hutch to the 72"W Desk or Credenza Shell, Corner Modules and combined Lateral Files. Constructed with durable laminate for strength and long term use. The Hutch includes six work-in-progress shelves and closed storage compartments with self-closing, Euro-style hinges for a soft close. Wire management grommets provide pathways to keep plugs and cables under control. This product is also compatible with the Series C Elite Collection for an expanded offering and cohesive style.

Select the Series C 72"W 4 Door Hutch for added office storage. Constructed with durable laminate for strength and long term use. Includes six work-in-progress shelves and closed storage compartments with self-closing, Euro-style hinges for smooth operation. Wire management keep plugs and cables under control. This product is also compatible with the Series C Elite Collection for an expanded offering and cohesive style. Solid construction meets ANSI/BIFMA test standards in place at time of manufacture. American made with U.S. and imported parts.

Assembly required. This product has been Level certified. Level certified means the product, production processes, and the manufacturer have met sustainability standards through a multi-attribute scorecard. The scorecard takes into account materials, energy and atmosphere, human and ecosystem health, and social responsibility.
