### Product Details

Our 10' Racetrack Conference Table enables you to design a fantastic conference room setting at an affordable price. Dedicated conference rooms are essential in today's competitive business climate. Executives, customers and guests appreciate a private area where they feel comfortable having open discussions.

Communication flows easily at our racetrack-style Conference Table featuring an attractive wood veneer tabletop and base in a handsome Dark Cherry finish. Meeting participants have plenty of room to stretch their legs with the half-cylinder style bases. Floor-level hardwood trim helps protect the veneer for long-lasting beauty.

The work surface is a sturdy 2" of high density particleboard and has solid hardwood edges for added protection. Top comes in 2 pieces. Some assembly required.
