Product Details

Contribute to a positive learning environment by starting class off right with the 54"W laminate top Lobo lab table. This durable steel frame science table will stand up to all the use and abuse of science, whether in a formal educational setting or in on-the-job training. The Wilsonart Chemsurf laminate top is chemical and heat resistant, and the waterproof, polyurea Lotz Armor edges won't separate from the core, prolonging the life and functionality of the table.

Some assembly required.

Some assembly required.
