Product Details

42" Round Conference Table with Data Port allows you to easily add meeting and work space. Its clean, contemporary styling in warm, laminate colors present an inviting setting for your guests. Beveled edging and brushed aluminum finish on a steel frame augment the modern design of this durable round table. This conference table comes in handy when space is at a premium, and can sit up to four people.

The high-pressure laminate surface on this round conference table resists stains and scratches; end caps protect floor surfaces. Includes professionally installed power/data port that feature three outlets and two data jacks. Height from floor to apron: 28-1/2"

Assembly required.
