### Product Details

Holland Bar Stool's commercial, Indoor/Outdoor, All-Season tables are some of the most durable, elegant, and highest quality tables available for your office, reception area, home or outdoor patio. This tables adaptable and sturdy construction makes it easy for outdoor use in the summer months and indoor use during the winter months. Flexible furniture offers both convenience and long-lasting use.

The table tops utilize a premium, composite blend material that is molded under a high pressure and temperature. They are finished with a durable surface laminate. This process makes the tables resistant against all types of weather, impermeable against corrosive and sticky solids and liquids, scratch, impact, and burn resistant, and easy to maintain. This table features a cross, metal base. Bases are commercial quality, easily assembled, and are finished with a UV Resistant powder coat and have adjustable feet to help prevent rocking.

Simple assembly.
