Product Details

Convert a room to anything you want it to be ...cafeteria, study hall, gymnasium, assembly or meeting room. Uniframe accommodates any number of functions in one space. It's never been easier. Uniframe is easy to operate, easy to move, easy to rearrange, easy to store, even easy to clean under. Its unique combination of pneumatic lift assist and torsional energy system enable smooth operation. Rely on Uniframe's superior strength and proven durability. Unitized all-steel frames provide superior strength and are cycle tested 6,000 times. Uniframe's versatile and adaptable styles, shapes, heights, and dimensions provide ideal solutions for any multi-use space.

This 10' cafeteria style table with 12 Stools and Black Frame has durable high pressure laminate tops with bull nose edging. 13" D seats are made of sturdy polypropylene. Combination pneumatic lift assist and torsional energy storage system provides a controlled, effortless folding operation. 4" casters do not extend beyond the tabletop, eliminating potential tripping hazard. Floor glides prevent floor dents. Clearance between top halves prevents pinched fingers.
