Give employees what they love with the Frappe standard height table. Durable and attractive, this standard height table can be paired with complementary chairs and used to create mixed seating in your lunchroom or open office break area.

The Frappe table is constructed with a steel base, and it has a high pressure laminate top that's durable and easy to clean. The edging won't crack or peel over time, and leveling glides prevent the table from wobbling on uneven floors.

Assembly required.
