### Product Details

Furnish modern workspaces with the At Work Executive Table Desk with Modesty Panel to support a collaborative work environment. With a scratch-resistant laminate desktop and clean lines, this computer laptop desk provides a minimalistic workspace. This laptop desk features adjustable leveling glides that provide stability, allowing you to move or balance the desk on office floor surfaces. The 2 grommet holes allow you to keep wires, cords, and cables organized and out of sight and can accommodate a circular power port or charging station if you want to retrofit the desk with built-in power. A modesty panel provides additional privacy. Add a mobile pedestal if you need more storage.

The At Work collection brings style and flexibility to your workspace. Clean lines, simplistic designs, and natural materials create open, inviting spaces that are both comfortable and functional so you can focus on what's important. At Work brings affordability to contemporary office furniture solutions without compromising style and quality.

Assembly required. Attach top surface. This product has been Greenguard certified to support better indoor air quality for offices, homes, schools and healthcare facilities. Products that are Greenguard certified are regularly tested to ensure that their chemical and particle emissions meet acceptable pollutant standards.
