Product Details

Upgrade your breakroom or collaborative space with the Figo Polypropylene Armless Stack Chair with 300lb Weight Capacity to create a cohesive, functional workspace. This stack chair features 2" dual-wheel hooded casters for easy mobility. The ergonomic perforated back allows for enhanced circulation, while the radius conforms to your back for maximum comfort. The contoured, extra-wide seat pan adds comfort and accommodates all sizes. This stack chair features built-in ganging devices so that it's easy to create and sustain nice, straight rows throughout each day.

The Figo chair collection encapsulates modernity and practicality, offering easy-to-clean seating solutions that effortlessly blend style and convenience. Whether it's arranging Figo stack chairs in a breakroom, visitor dining area, or fostering quick collaboration around a standing-height conference table, their versatility shines through. Embrace the perfect balance between form and function with Figo chairs, making them a go-to choice for various spaces and interactions.

Fully assembled.
