Product Details

The Dura series is specifically designed for outstanding comfort and long-lasting use in the toughest workplace environments. These durable chairs offer total body support with advanced ergonomic features that improve productivity and reduce fatigue. Rugged self-skinned polyurethane provides excellent cushioning properties while offering high impact resistance and flexibility in a wider, more comfortable seat. Independent testing has confirmed the Dura series provides the optimal ergonomic seating experience!

This chair is constructed of a polyurethane seat and back. The polyurethane is impervious to water, oil, and most chemicals. The texture provides a non-slip, puncture resistant surface. The waterfall seat helps to aid lower body circulation. The chair features a fully adjustable contoured back with articulating seat and back adjustment. It has adjustable height arms. This chair has a five star base with floor levelers, and features a 20" high performance adjustable flat 19" foot-ring. Easy to clean construction. Can support up to 350 lbs. Greenguard Gold certified. This product has been Greenguard certified to support better indoor air quality for offices, homes, schools and healthcare facilities. Products that are Greenguard certified are regularly tested to ensure that their chemical and particle emissions meet acceptable pollutant standards. ANSI-BIFMA

Assembly required.
