### **Product Details**

With adjustable comfort and durable construction, the Vue Mesh-Back Big and Tall Armless 24/7 Stool is an ideal addition to any workspace. Ergonomic adjustments including adjustable seat height, back height and freely adjustable foot ring work together to accommodate users of all sizes, providing an unparalleled level of support when you need it the most. This stool is so durable that it can withstand use 24 hours a day, seven days a week and has a 350lb weight capacity to support a wide range of users. The mesh-back upholstery provides users with breathable comfort, while a mesh fabric seat is contoured for excellent support.

The Vue Collection is defined by its ergonomic excellence, prioritizing user comfort and well-being through thoughtfully designed seating solutions. Built to last, these chairs boast exceptional durability, ensuring they can withstand the demands of continuous use. Ideal for round-the-clock environments, the collection's versatility supports 24/7 functionality without compromising quality.

Ships with partial assembly required.
