Product Details

Make the most of your office seating with the Philips High-Back Bonded Leather Executive Chair with Adjustable Seat. This executive chair features bonded leather upholstery that resembles genuine leather in look and feel but does not carry the same high cost or maintenance requirements. Seat height, tilt tension and tilt lock adjustments can be positioned to suit the chair user for individual personalization. Perfect for your office desk, this chair provides comfort and support for long hours of computer use.

The Phillips collection epitomizes excellence with its bonded leather upholstery, radiating an executive aura that commands attention. Experience adjustable comfort tailored to your preference, ensuring each moment is relaxing and productive. Crafted for durability, this collection offers long-lasting support to withstand the demands of daily use.

Ships ready to assemble.
