### Product Details

Engineered to withstand constant use, the robust Dauerhaft Fabric Big and Tall 24/7 Chair with Ergo Air Suspension is the perfect addition to your around-the-clock office workplace. The exclusive arm design is adjustable to accommodate every user, and the arms Pivot back so that individuals with a tool belt can sit comfortably at their desk. This chair is constructed with a 10-gauge steel frame that maintains its original tensile strength and rigidity year after year and encourages proper postures in its users at the same time. Ergo Air Suspension in the seat produces even surface pressure to minimize strain on the user, allowing employees to sit comfortably for longer periods of time while using their computer.

The Dauerhaft collection places a strong emphasis on ergonomic design, offering chairs that prioritize optimal support and comfort. Built to withstand the test of time, these chairs exhibit exceptional durability, ensuring a long-lasting investment. With a sturdy construction, the collection guarantees stability and reliability for 24/7 use. Each piece stands as a supportive seating solution, catering to comfort while maintaining its robust construction. 5-Position Tilt Lock with Adjustable Tension; 2:1 Recline Ratio; 21" Seat Surface; Seat Depth Adjustment; Seat Height Adjustment

Assembly required.
