Product Details

Simple and refined, the Newport Solid Fabric Guest Chair with Steel Frame is the perfect addition for medical reception lobbies or guest chairs in patient or exam rooms. This guest chair features Matrex seat suspension upholstered in solid fabric for the comfort of your guests as well as an open back construction for easy cleaning. The easy to clean steel frame makes this guest chair durable for high-traffic areas. A wall saver design protects your wall and provides more floor space.

The Newport collection is defined by its alluring sloping curves that infuse a sleek and minimalist aesthetic into any setting. Offering a modern interpretation of style, these chairs effortlessly adapt to various environments, exemplifying versatility and functionality. With a seamless blend of form and utility, this collection elevates spaces with its contemporary charm.

Solid fabrics are 100% recycled.
