### Product Details

Enjoy sleek contemporary style and helpful versatility with the 1300 Series Big and Tall Armless Upholstered Guest Chair with Steel Frame. This durable seating option features a 16-gauge steel tube frame with a 400lb weight capacity to support most users. A stylish contoured back and seat in your choice of polyurethane, faux leather, or several patterned fabrics allows you to use this chair anywhere from a clinic waiting room to an executive office. The polyurethane and faux leather options are ideal for cafeteria and breakroom settings, as they will slow and inhibit the growth of bacteria, mold and mildew.

The 1300 collection showcases timeless chairs that seamlessly blend traditional and modern aesthetics. With easy functionality at its core, each chair offers a practical design that effortlessly complements any space. Not compromising on comfort, these chairs provide contoured support, ensuring a harmonious balance between style and ergonomic relaxation.
