Product Details

Add this fabric tack board to your office or classroom to post important information for everyone to see. Polyolefin fabric is non-fraying and has been laminated to a 1/2" thick insulation board to give you an easily tackable surface. Frame has been constructed using anodized aluminum with loop hangers for quick and simple mounting.

This board is velcro compatible to eliminate the need for push pins. Surface is washable and unaffected by most chemicals, acids, alkalis, salts, and cleaning agents.

Fully Assembled
