### Product Details

Use this 10' x 4' porcelain white board for presentations, lesson plans or group interaction. The porcelain-coated steel surface features a low gloss that enhances readability and optimizes eye comfort. The porcelain surface also reduces marker ghosting to zero.

White board also features a tackable top rail for maps or other paperwork; great for putting group work on the board without everyone having to use the board at once. Magnetic surface also allows the user to post notes or reminders on the board. Included with the map rails are two hooks so you can hang charts and more.

Includes L-clips, rawl plugs and screws for installation. Greenguard certified for indoor air quality.
