Product Details

Display notes and messages easily with this white board. Great for use in any break room or conference room, associates will easily be able to read any messages that you leave. Included with the map rails are two hooks so you can hang charts and more.

The porcelain surface is attached to .5" thick MDF for added strength and moisture resistance. Includes L-clips, rawl plugs and screws for installation. The magnetic steel surface has a low gloss to enhance readability and optimize eye comfort. The benefits of porcelain include better contrast between the marker and background, easiest and fullest erase ability without ghosting, and magnetism. The marker tray at the bottom has rubber bumpers to prevent injury.

Fully assembled.
