Product Details

Offering a superior writing surface and unsurpassed durability, Ghent's porcelain whiteboards are sure to live up to your needs. The writing surface will accept magnetic accessories and resist scratches and stains. Students, trainees and guests will be able to read writing clearly on the smooth surface. This whiteboard is ideal for use in classrooms, training spaces or conference rooms.

This board is constructed of heavy 28-gauge porcelain-on-steel surface on a 3/8" backing. The durable construction will provide years of dependable service. The frame is made of satin anodized aluminum. A marker tray is included to keep markers and erasers from getting lost and it features protective end caps. One marker and one eraser is included for your convenience.

Fully assembled.
