Product Details

Get up to twice the functional space of a wall-mounted board with this versatile and mobile magnetic glass whiteboard. The beautiful and modern double-sided magnetic glass gives you style as well as a surface that provides unmatched writability and erases without ghosting.

The tempered safety glass construction makes this board ideal for use in any environment. The frame and trim are made with white powder-coated steel for superior durability. The wide base design provides stability and features dual-wheel locking casters. The board surface can be set at 60.5" or 75.25"H for preferred viewing. The surface is compatible with any dry or wet-erase markers, will easily clean without ghosting or staining and accepts rare earth magnets.

Assembly required.
