Product Details

Update the look of any space with this potted Yucca grass. This simple addition will easily brighten a reception area, office, or conference room. Place on a bookcase, end table, or desk for a pop of color.

This artificial grass features detailed blades that are shades of green like natural grass would be. A black cube holds the grass with small pieces of moss peaking out which adds to the natural appearance. Place this simple accent piece anywhere that needs additional color and your guests will think it is real.
