Product Details

Equip your training room or seminar space with this 24"D x 60"W blow molded nesting table for the convenience of students, educators and your building's cleaning crew. The blow-molded, high-density polyethylene table can be slipped open and closed for easy use and storage. When it's time to clean up the room or rearrange it for a special event, simply fold up each table top and nest the tables together to keep them neatly out of the way. Each table rolls on 2" casters (two locking) and weighs a mere 48 pounds., making mobility a breeze.

Assembly required.

Assembly required.
